Just spoke to Tim. He suggested that you NOT let Matt know Tim's willing to resign to save me. Tim said it has to look like you've made the decision to let Tim go because that's what Matt wants. He said Matt needs to look like he got what he wanted..

makes me sick. But I prized Tim I would  
send his suggestions

I've had an abundance of calls and texts, with advice and information. All I'm saying right now is that you're lucky if you have any allies up there including John and my Jennifer. The people that called me last night gave me information that only you would have known, I'd rather tell you in person, just don't know when yet.

I'm not going out today, I'm trying to keep up with my messages and phone calls. Again, I need to get answers on things I'm being told. And I won't ask over the phone. So possibly tomorrow. Have you said anything to Jeff?

I will go wherever you feel the most  
comfortable. There are so many eyes there.  
Why don't we meet by the train, in that  
parking lot at matteos. I will go anywhere to  
be with you.

8:43 PM

Michelle Hung

Just to talk to you for whatever short amount  
of time you have to spare for me.

8:44 PM

Michelle Hung

You have never heard me talk to you like  
this because I didn't want you to see this side  
of me. I would never let you see me like this.  
The side that is so vulnerable and so not  
worthy of your love.

8:48 PM

Michelle Hung

And I sent the 3 messages above standing in  
the magazine section of Walmart so I don't  
even know if you got them.
